Source of delegation:	<p>Cabinet, on 15 September 2021, delegated authority to the Executive Director of Housing to enter into supporting agreements for the National Homelessness Property Fund.</p> <p>The report can be found here.</p> <p>This delegation is now within the remit of the Executive Director (Communities and People).</p>
What decision was made?	To award a contract to Response to provide support services in the Settled Oxfordshire project. This is a project to provide supported accommodation for people experiencing homelessness. The value of the contract is £542,850.
Purpose:	Award of a contract in accordance with procedures set out in the Council's constitution.
Reasons:	A joint bid was made to DLUHC's Rough Sleeping Accommodation programme by the City Council, Response and Resonance (a social investment company) to fund a programme of property acquisition to accommodate people recovering from homelessness. This decision deals with the award of a support contract for Response, who will be supporting people to move towards independent living.
Decision made by:	Stephen Gabriel, Executive Director (Communities & People)
