

No Confidence in our Labour Council

We, the undersigned, are concerned that Oxford City Council has ignored the largest ever petition in Oxford, which called on the council not to close Temple Cowley Swimming Pool and Fitness Centre, and is continuing to pursue its plans to sell the Temple Cowley Swimming Pool land (for Oxford Brookes University student accommodation?) in direct opposition to this demonstration of democratic will. As a result we have lost confidence in the Labour administration running Oxford City Council, and call on all the labour councillors to resign immediately.

No Confidence in our Labour Council

We, the undersigned, are concerned that Oxford City Council has ignored the largest ever petition in Oxford, which called on the council not to close Temple Cowley Swimming Pool and Fitness Centre, and is continuing to pursue its plans to sell the Temple Cowley Swimming Pool land (for Oxford Brookes University student accommodation?) in direct opposition to this demonstration of democratic will. As a result we have lost confidence in the Labour administration running Oxford City Council, and call on all the labour councillors to resign immediately.

No Confidence in our Labour Council

We, the undersigned, are concerned that Oxford City Council has ignored the largest ever petition in Oxford, which called on the council not to close Temple Cowley Swimming Pool and Fitness Centre, and is continuing to pursue its plans to sell the Temple Cowley Swimming Pool land (for Oxford Brookes University student accommodation?) in direct opposition to this demonstration of democratic will. As a result we have lost confidence in the Labour administration running Oxford City Council, and call on all the labour councillors to resign immediately.
