Holiday Activities

Open up Climbing wall all day, with slightly different timings for different age groups and some specific female only sessions

- Sessions hinging around lunch or dinner times, so we can offer food and have a small group of YP running food.

- Join up with partnership allotment at the back of the building space and some supermarkets around food wastage and serve that young leaders group to take an organisational role

Music producing workshop during half term for 5 days, 3 hours per day, plus lunch. In partnership with Oxfordshire Music Services. Make your own music: rap – sing – learn performance skills. 11.30am – 3pm. Also offering some guidance and drop in sessions on well-being, staffed by response well-being workers in the chill space/ or offices.

Street Music Project with Street Art: another half term, run a street music workshop alongside a Street Art Project. 5 days, 3 hours per day, plus lunch, 11.30am – 3pm. In partnership with Inspire Sound and OXCEP artists – also offering some guidance and drop in sessions on well-being, staffed by response well-being workers in the chill space/ or offices.

PLEASE NOTE:

This is a draft timetable built on the basis of facilities available and staffing in line with our application as well as listening to young people who had clear views and expectations about what and how they wanted to access the hub. We will of course take any guidance into account if it is felt that we need to make changes. We strive to make the spaces as inclusive as possible to all young people.
