Appendix 2 - Risk Register

As at: July 2023

Risk							Owner	Gross Current		t Residual			Controls				
Ref	Title	Risk description	Opp/ threat	Cause	Consequence			I P	I	Р	I	Ρ	Control description	Due date	Status	Progress	Action Own
TR1	Borrowing	Borrowing rates increase	Т	Bank of England Base Rate rises	Cost of borrowing increases. Whilst this does directly affect the council in the short term, it will in the medium term as external loans are forecast to be taken out to fund the councils capital prgramme.	1-4-202	Bill Lewis/ Paul Jeffery	3 3	3	3	3	3	The council currently has £198million of borrowing all for HRA purposes. Short term loans will be taken out to mitgate in expectation that loan rates reduce in the medium term	Ongoing	Ongoing	100%	Bill Lewis/ Pa Jeffery
TR2	Investments	Reduction/ loss in captial value if value of investment falls	Т	Value of investments falls	Potential loss of investment capital	1-4-202	Bill Lewis/ Paul Jeffery	5 3	5	3	5	2	Most investments undertaken by the Council are placed with UK Banks offering the highest investment rating as monicered by the Councils Treasury advisors with fixed interst rates. Non specificed investmenst carry higher risk although increased return. Regular meetings are held with the counterparties to track progress of such funds.	Ongoing	Ongoing	100%	Bill Lewis/ Pa Jeffery
TR3	Investments	Loss of cash if investment cash sent to wrong counterparty	т	Break down in internal control	If cash is sent to wrong counte party then could cause issues with recovery	1-4-2022	Bill Lewis/ Paul Jeffery	5 2	5	2	5	2	The placing of monies with a counterparty requires a spearation of duties by staff within Finance. Whilst the ris is minimal the implication is high.	Ongoing	Ongoing	100%	Bill Lewis/ Pa Jeffery
