Working together to help children, young people, and families to thrive.

Our Vision

**Working together to help children,
young people, and families to thrive.**

We want Oxfordshire to be a great place to grow up and have the opportunity for children and young people to become everything they want to be. To achieve this vision for children and young people, we have four areas of focus:

- Be successful
- Be safe
- Be healthy
- Be supported

How will we help children, young people, and families to thrive?
