Introduction

Oxford City Council (hereafter referred to as the Council) recognises that street trading is an established commercial activity that contributes to the vibrancy and vitality of the city and increases the diversity of the local economy.

As the growth and development of the city continues it is vital that the street trading environment responds to the physical changes and remains sensitive to the needs of the city. The policy allows the Council to continue to regulate the location and number of traders, ensuring that they meet the requirements set out and do not adversely impact the streets they occupy.

In keeping with its vision for a successful and attractive city the Council aspires to provide an improving street trading offer in terms of appearance/visual amenity and the quality of the goods on sale.

A key priority of the Council is to deliver health and wellbeing improvements in the city. Working with partners, we have made a commitment to reduce sugar intake, particularly amongst young people. The policy supports the objectives of [SUGAR SMART](#) Oxford's campaign to seek to make positive change and facilitate healthier food choices.

The pursuit of a zero carbon Oxford is a corporate priority of the Council and this Policy includes measures to encourage environmentally sustainable street trading. We will provide guidance on how to achieve these and related measures in support of that priority.

1 Purpose of the Policy

- 1.1 This Policy sets out the legal framework for the management of street trading in Oxford and will guide the Licensing Authority when it considers applications for Street Trading Consents.
- 1.2 It outlines how decisions are made and aims to provide a transparent and consistent approach for dealing with the regulation of street trading.
- 1.3 It also highlights the Council's undertaking to avoid duplication with other statutory provisions and commitment to work in partnership with other enforcement agencies.

2 Consultation

- 2.1 In determining this policy, the Council has undertaken a public consultation exercise involving the following stakeholders and organisations:
 - Thames Valley Police
 - Oxfordshire County Council
 - All current Consent Holders
 - All relevant departments within Oxford City Council
 - Members of the public
- 2.2 The Council has considered and taken into account the views of all consultees.

3 Review of the Policy

- 3.1 This policy will be reviewed every three years and all interested parties consulted. In addition, we will continue to evaluate the policy and may update it at any time. Any minor changes may be agreed by the General Purposes Licensing Committee.

4 Legislation and current provision

- 4.1 In 1986 the Council resolved that Schedule 4 to the Local Government (Miscellaneous Provisions) Act 1982 (LGA82) should apply to its area. Under Schedule 4 of the Act a local authority can manage street trading by designating streets as 'consent streets', 'licence streets' or 'prohibited streets'.
- 4.2 All streets in Oxford City Council area are designated as consent streets and any trading requires consent.
- 4.3 Street Trading is defined as "*the selling or exposing or offering for sale of any article (including a living thing) in a street – subject to a number of exceptions*".

The LGA82 exceptions include:

- (a) Trading as a pedlar under the authority of a pedlar's certificate granted under the Pedlars Act 1871;

- (b) Any trade in a market or fair, the right to hold which having been obtained by a grant, enactment or order;
- (c) Trading as a news vendor;
- (d) Trading at or adjoining a shop premises as part of the business of the shop;
- (e) Offering or selling things as a roundsman

Schedule 4 of the LGA82 defines a street as “*any road, footway, beach or other area to which the public have access without payment; and a service area as defined in section 329 of the Highways Act 1980.*” This includes privately owned land

- 4.4 Street Traders that serve hot food or drink at any time between the hours of 23.00 and 05.00 will also require a Premises Licence under the Licensing Act 2003.

5 The Licensing Process and Delegation of Functions

- 5.1 This part of the document sets out how we will deal with applications for Street Trading Consent in the City of Oxford. The Council aims to provide a clear, consistent licensing service for service users. It also aims to protect the safety of highway users and to prevent nuisance or annoyance.

- 5.2 Delegation is laid out in the Council’s Constitution as follows:

Full Council sets policies on licensing.

The General Purposes Licensing Committee:

The General Purposes Licensing Committee appoints a General Purposes Licensing Casework Sub-Committee to:

- a) Decide street trading applications [that are for longer than three months] referred by the Head of Regulatory and Community Safety Services
- b) Decide applications to renew Street Trading Consent when there has been a complaint about the trader or the trader has breached the conditions of their Street Trading Consent in the past year
- c) Decide for cases referred by the Head of Regulatory Service & Community Safety whether to reinstate, suspend, extend suspension, vary or revoke a street trading consent

- 5.3 The General Purposes Licensing Committee has in turn delegated authority to the Responsible Head of Service to:

- (a) Issue Street Trading Consents and to attach such conditions as are necessary under the Local Government (Miscellaneous Provisions) Act 1982;
- (b) Refuse any application for a Consent:

- (i) that is considered unsuitable under this policy;
 - (ii) where there are valid adverse comments from any of the following consultees; (Police or Highways on the grounds of Public or Highway safety);

 - (iii) where there are valid adverse representations, serious food safety issues or any other reasonable cause for referral
- (d) Suspend a Consent for a period of up to 28 days pending referral to the General Purposes Licensing Casework Sub-Committee, where serious food safety issues or any other reasonable cause are found.

Each case will be assessed on its merits and individual circumstances, where appropriate, may be taken into consideration. When there are valid adverse representations, the Responsible Head of Service acting under delegated powers may refuse an application.
