<i>Recommendation</i>	<i>Agree?</i>	<i>Comment</i>
1) That the Council places engagement with local anchor institutions at the heart of the Corporate Strategy 2024-28, in particular the need to hold open and honest conversations about the overall vision and aspirations for Oxford to enable organisations to work together to drive forward that collective vision of the type of city Oxford should be.	Yes	Oxford's anchor institutions have been involved from the outset in the development of the Council's new Corporate Strategy 2024-28, via the Oxford Strategic Partnership. We will continue to engage with them to drive forward and deliver against a collective vision for the city and the wording of the new strategy will reflect this.
