

**Why do an Equalities Impact Assessment (EqIA)?**

1. Equalities Impact Assessment (EqIA) is part of Oxford City Council’s **Public Sector Equality Duty (PSED) (Equality Act 2010)**.

The General PSED enables Oxford City Council to:

- a. **identify and remove discrimination,**
  - b. **identify ways to advance equality of opportunity,**
  - c. **foster good relations.**
2. **An EqIA must be done before making any decision(s)** that may have an impact on people and/or services that people use and depend on.
  3. An **EqIA form is one of many tools** that can simplify and structure your equalities assessment.
  4. We are passionate about equalities, and we highly recommend that **Corporate Management Team (CMT) reports and all projects must accompany an EqIA.**

For questions, queries, and a chat about how to do your EqIA, please email your EDI officers:

1. Mili Kalia – [milkalia@oxford.gov.uk](mailto:milkalia@oxford.gov.uk)
2. Sobia Afridi- [safриди@oxford.gov.uk](mailto:safриди@oxford.gov.uk)

Please do refer to our [SharePoint Page](#) for support such as FAQs and Examples, etc.

**A good EqIA has the following attributes:**

1. **Comprehensively considers the 9 protected characteristics.**

1. Age	6. Race & Ethnicity
2. Disability	7. Religion or Belief
3. Gender Reassignment	8. Sex
4. Marriage & Civil Partnership	9. Sexual Orientation
5. Pregnancy & Maternity	

2. It has **considered equality of treatment** towards service users, residents, employees, partners, council suppliers & contractors, and Council Members
3. Sufficiently considered **potential and real impact** of proposal or policy on service users, residents, employees, partners, council suppliers & contractors, and Council Members.
4. **Systematically recorded and reported** any potential and real impact of your proposal or policy on service users, residents, employees, partners, council suppliers & contractors, and Council Members
5. **Collected, recorded, & reported sufficient information and data** on how your policy or proposal will have an impact.
6. Offers **mitigations or adjustments** if a PSED has been impacted.
7. Provides clear **justifications** for your decisions.
8. It is written in **plain English** with simple short sentence structures.
