

Addendum to Agenda item 11, Cabinet 11th December 2024

Medium Term Financial Strategy 2026-27 – 2028-29 and 2025-26 Budget for Consultation

Appendix 7 – Fees and Charges

Date : 09-12-2024

There are some discrepancies in Appendix 7 Fees and Charges to the above report, in relation to car parking charges, which have arisen due to the incorrect statement of the current years charge for 2024-25, which has been shown as the pre-rounded position.

As per the report, the tariffs on all city centre car parks have been increased by 30p with tariffs on all other car parks increased by 20p. The attached list shows the car parking tariffs on all car parks. Those charges that have been changed are shown as shaded.
