Dear Members of the Standards Committee,

Re: Sincere Apology for My Inappropriate Language

Please accept my sincere apologies for damaging the reputation of the Committee and the processes the Standards Committee works hard to uphold. I deeply regret that my post, in which I stated that I would be "hailed in front of the Standards Committee," may have harmed the reputation of the Council.

I take full responsibility for my actions and sincerely apologize for any negative impact my words may have caused. I have great respect for the work of the Committee and the Council, and I will ensure greater care in my communications moving forward.

Sincerely,
David Henwood
