

## Scrutiny Work Plan

February 2026 to April 2026

www.oxford.gov.uk

The Scrutiny Committee agrees an annual work plan detailing key issues – affecting Oxford and its people – selected for review. While the plan sets out the work of scrutiny for the year, it also includes flexibility to address topical issues and forthcoming Cabinet decisions as they arise.

The Work Plan is informed by suggestions received from elected members and senior officers, and it is reviewed at every Scrutiny Committee meeting to ensure it remains current and relevant. Members of the public are invited to contribute topics for consideration by submitting a [suggestion form](#). See our [Get Involved](#) webpage for further details on how you can participate in the work of scrutiny.

Topics included in the plan may be examined directly by the Scrutiny Committee, delegated to standing Working Groups, or explored in greater depth by time-limited Review Groups. Recommendations from the Working Groups and Review Groups need to be endorsed by the Committee.

The Committee also reviews the Council's [Forward Plan](#) at each meeting and determines which Cabinet decisions it wishes to consider before the decision is made. In addition, the Council has a 'call in' process to allow decisions made by the Cabinet to be reviewed by the Committee before they are implemented.
