Other Relevant Considerations

14. The Sub-Committee is reminded of its responsibilities under the Crime and Disorder Act 1998 (to co-operate in the reduction of crime and disorder in Oxford) and the Human Rights Act 1998 (which guarantees the right to a fair hearing for all parties in the determination of their civil rights, and also provides for the protection of property, which may include licences in existence, and the protection of private and family life) when considering the fair balance between the interests of the applicant and the rights of local residents. Any decision taken by the Sub-Committee must be necessary and proportionate to the objectives being pursued.
15. Members are reminded that whenever they make a decision under the Licensing Act 2003, they have a duty to act with a view to promoting the licensing objectives.
16. When considering any representations, only those issues relating to the four licensing objectives should be considered and appropriate weight given to the importance and relevance of each representation.
17. In making its decision, Members must also have regard to the Home Office statutory guidance issued under section 182 of the Licensing Act 2003 and the Council's own Statement of Licensing Policy
18. The Sub-Committee must take such of the following steps as it considers appropriate for the promotion of the licensing objectives:
- a. **Grant the licence in accordance with the application.**

- b. Modify the conditions of the operating schedule by altering or omitting or adding to them.**
- c. Exclude or restrict from the scope of the licence any of the licensable activities to which the application relates.**
- d. Reject the whole of the application.**

The Sub-Committee may also grant the licence subject to different conditions for different parts of the premises or the different licensable activities.

- 19. Members are asked to note that they may not modify the conditions or reject whole or part of the application merely because they consider it desirable to do so. It must be appropriate to do so in order to promote the licensing objectives. Any such step must relate to a relevant representation made.
- 20. If Members grant the application, the details of the operating schedule will be incorporated into the licence as conditions. The licence will also be subject to certain mandatory conditions.

Legal issues

- 21. Members should note that the applicant or persons making representations have the right of appeal against the decision made by the Sub-Committee.

Seasonal Variations:

An extra hour at the start of British Summer Time

The application requested that the operating schedule remain as is.

The premises came under Spirit Bar Ltd (Mr Opher), the applicant in September of 2024 and has not come to police attention in that time. However this area of Oxford is a dynamic one and is increasingly becoming absorbed into the city centres' main night-time economy hub. This means the police are now seeing a change in demand there. The Licensing act is no longer about ensuring a venues does not sell to drunk or kids. Over the last few years greater and greater emphasis has been given over to all sorts of emerging issues in the NTE such

as violence against women and girls, drinks spiking, and the general duty of care towards the public with regard to safe guarding the vulnerable in all formats.

As such what was once granted may not be appropriate to the challenges a venue is expected to be able to deal with at first instance in a way that promotes the licensing objectives and does not unduly impact on demand to the blue light services. It was therefore the concern of the local area commander that the operating schedule was not appropriate to the area and the increase in hours.

TVP have entered into discussions with the applicant and his legal representative and have been able to agree amendments to the operating schedule to ensure that the licensing objectives are appropriately promoted.

Dear Oxford City Licensing team,

I am writing to express concern about the proposed extension of hours at Raoul's Bar, 32 Walton Street, Oxford, OX2 6AA. Public Health note the applicant has requested to extend the terminal hour for the sale of alcohol to 02.00 hours seven days a week.

Our primary concern is the impact the proposed extension is likely to have on the urgent health care system in Oxfordshire. The premises is located within Osney, Jericho and Port Meadow C Lower Super Output Area (LSOA) which had 141 alcohol-related ambulance callouts per 10,000 of the population between January and October 2025 [1]. The LSOAs surrounding Osney, Jericho and Port Meadow C also rank highly showing that alcohol-related ambulance callouts are concentrated in the city centre where there is a high concentration of pubs, bars and nightclubs [1]. For example, Oxford Central A which is directly adjacent to the premises had the highest number of alcohol-related ambulance callouts (339) of any LSOA in Oxford City between January and October 2025 [1]. Protecting urgent health care services is vital, and evidence shows that even modest extensions in late-night alcohol sales increase the burden on emergency services like police, ambulance and A&E, placing additional strain on our urgent care system [2].

Further to this, according to most recent data from 2023/24, the premises lies within Oxford City which also has higher admission rates for alcohol related unintentional injuries than both the South East and National averages [3]. Greater availability of alcohol, such as extended hours for alcohol sales, is associated with higher consumption and harm, such as physical health problems and mental health issues, especially in vulnerable groups [4].

Public Health request that the Oxford City Licensing team consider this evidence when assessing this licensing application.

Best regards

We object to this application for variation of late-night opening.

We note that there is another similar application by the same operators for a spirits bar in nearby Little Clarendon Street.

Our objections are:

- This is a significantly residential area with apartments and substantial student accommodation in which many people will be affected by noise and disturbance.
- Late night opening is inappropriate for an area with mixed residential, café and retail.
- The current hours and those proposed are substantially later than those of neighbouring licensed establishments (such as the Oxford Wine Bar immediately opposite).
- The potentially open front of the bar means the probability of considerable street noise in warmer months

We believe that the present licence hours are very generous (and announced in prominent lettering) and that they should not be extended .
