

Council

Budget Debate – Process for submitting amendments

Opposition Group Amendments

Deadline: These must be received by Committee and Members Services before 1.00pm on three working days before the meeting (Tuesday, 17th February 2026), and preferably earlier than that.

These are considered as substantive amendments to the submitted Local Plan and must be available in advance. These are published in the briefing note.

These must be discussed with the Group Finance Director and include his commentary before Committee and Members Services will accept these for publication.

Minor amendments, or individual amendments, arising as a result of the debate on opposition group proposals

Deadline: These must be set out clearly and legibly **on the form** (below) and emailed to Committee and Member Services in advance and by no later than **15 minutes before the start of this section of the debate**.

These must be discussed with the Group Finance Director before acceptance for debate. The Group Finance Director will review these and decide if an amendment is minor and can be taken; or substantive and cannot be taken at this late stage. His decision is final.

Council needs to be clear what is being suggested along with the implications for the budget so the form should set out

- What is proposed and why;
- Impact on the Local Plan;
- Commencement and duration of the proposal.

Amendments will be taken in the order given to Committee and Member Services.

Debating minor/ individual amendments

These are taken separately or in groups as appropriate

1. Lord Mayor calls the amendment number

3. the Lord Mayor will take one speaker from each Group.
4. If the seconder has not already spoken, they can do so.
5. Cabinet Member responds.
6. Proposer sums up.
